Class Description and Pricing:

Snowplow Sam 1-3

Is designed to help preschool age children develop preliminary coordination and strength necessary to maneuver on skates. After completing Snowplow Sam levels 1-3 the child is ready to move directly to Basic 2.

Basic 1-8

The Basic Skills Curriculum is designed to introduce the fundamentals of the sport in a progressive approach.

Adult 1-4

The Adult Curriculum introduces the basics of ice skating to the adult skater.

Free skate 1-6

After completing Basic 8 the skater learns the jumps, spins, moves in the field and dance step sequences and other free skating elements of the sport.

Hockey 1-4

The hockey curriculum is designed to teach the fundamentals of hockey skating. In four badge levels, skaters learn to maneuver faster and be more agile on the ice. Proper skating techniques are the primary focus of the curriculum. Skaters are taught without a stick or puck.
